## **Abstract**

*Abstract should be around 200 - 300 words in italic.*

Keywords: list, up, to, six, key, terms

JEL classifications: list, relevant, codes  
(see [http://www.aeaweb.org/journal/jel\\_class\\_system.html](http://www.aeaweb.org/journal/jel_class_system.html))

## **First level heading in Courier New 12 bold**

In the body of your paper please use Courier New 10 point, fully aligned, single spaced. The size of your paper should not exceed 16 pages including references and appendices.

Insert blank lines before and after headings and paragraphs. Please do not use indents.

## **Second level heading in Courier New 10 bold**

Put a blank line after a second level heading.

## ***Third level heading in Courier New 10 point bold-italic***

Do not include a blank line after a third level heading. Use bulleted or numbered lists in preference to third level headings where possible.

This is an example of a long block quotation. Use Courier New 10 point, fully aligned, single spaced, indented 1.0 cm left and right, not italicised, without quote marks, one blank line before and after. Short quotations should be given with quote marks in your running text. Only longer quotations are formatted as block quotations. Referencing should come at the end (Seferis, 2002, p.8)

Bulleted lists example:

- Courier New 10 point fully aligned, single spaced, hanging indent 0.5 cm
- second bullet item
- last bullet item.

Ordered list example:

- 1 Courier New 10 point, fully aligned, single spaced, hanging indent 0.5 cm
- 2 second ordered item

3 last ordered item

(In order not to “break” a table use several carriage returns to move it to the next page. In those lines it is advisable to move some of the text that comes after the table if relevant)

General	Use Courier New 10 point or smaller as required for narrow columns.
Format	Centre each picture within the page width Use of borders. For text use full alignment.

**Picture 1: Sample picture title bold, consecutive numbering (Picture 1, Picture 2, etc)**

**Table 1: Sample table title bold, consecutive numbering (table 1, table 2, etc)**

General	Use Courier New 10 point or smaller as required for narrow columns.
Format	Centre each table within the page width Use of borders for all cells. In columns of numbers, use centre alignment. For text use full alignment.
